Sackers boosts project management team

Sacker & Partners LLP (Sackers), the UK's leading specialist law firm for pensions and retirement savings, today announced the appointment of Nadia Krasteva as a legal project manager to its project management team.

David Saunders, senior partner at Sackers, said: "Over recent years we have seen a significant increase in the number and complexity of projects our clients are dealing with, so establishing a dedicated project management function which works alongside our lawyers was an obvious decision. Nadia's finance and pensions expertise adds valuable resource and we're delighted to welcome her."

Nadia is a finance professional with over seven years' experience in financial services, including time with both PwC and EY. She has experience of managing large complex projects across the banking, investment and pensions industries. Nadia holds a Diploma in Financial Planning and has a Masters in Business Management from the University of Sunderland.
