Sacker & Partners LLP (Sackers), the UK's leading specialist law firm for pensions and retirement savings, today announced the appointment of three newly qualified lawyers. Abigail Lynch, Navina Bagri and Imogen Dodd join the firm as associates, taking the total number of qualified lawyers to 70.

David Saunders, senior partner, said: "It is so important for us to strengthen our team at all levels of qualification so that we can continue to meet our clients' needs for high quality, cost-effective advice. As we head towards the end of an extremely busy year, Abigail, Navina and Imogen bring valuable and much-needed additional resource and are most welcome to Sackers."

Abigail, Navina and Imogen all qualified in September and join from Gowling WLG, Blake Morgan and Fragomen respectively. At Sackers, they will be advising trustees, employers, insurers and product providers on a wide range of DB, DC and CDC issues, including risk transfer projects, managing scheme surpluses, investment opportunities, ESG, EDI and cyber security.
