### **Aries Insight announces new client**

Aries Insight, the technical pensions legislation specialist, has announced a leading UK law firm Travers Smith LLP as their newest client.

Ian Neale, Director at Aries Insight, said: "I'm delighted to secure an award-winning City law firm in Travers Smith LLP as a client. Market-leaders renowned for their diversity and independence of thought, key qualities shared by Aries, they also work with over 150 law firms worldwide. This is a big win for us and a valuable addition to our existing repertoire of over 120 organisations, showing the ongoing, continued benefit of our knowledge resource."

Nick White, Knowledge Counsel at Travers Smith, said: "In a very technical area, accessing this system helps us to put our time where it should be - working for our clients and producing good outcomes for them. The Aries system allows us to have a range of resources and information at our fingertips. Legislative and regulatory changes are complex and constantly shifting, so the Aries team will enhance our knowledge management to ensure that we continue to provide clear, concise and up-to-date advice, documentation and information at all times."

## Notes to Editors

Aries is an innovative company dedicated to providing the best tools for pension managers, trustees, advisors and administrators to handle the complex regulatory environment for pensions in the UK. The firm combines a deep knowledge of pensions with well-honed systems engineering and a keen sensitivity to the needs of the pensions professional.

The Aries Pensions System is the foundation of the pensions technical support service now used by around 130 organisations throughout the industry: consultants, administrators, life offices, pension funds and specialist providers. Other Aries solutions include SIPP and SMPI illustration programs.
