INTELLICA APPOINTS BINGHAM AS CHAIRMAN

Intellica, the independent provider of data management and business change services, today announced the appointment of Paul Bingham as Independent Chairman.

Brendan Doherty, Executive Director at Intellica commented: "Our primary aim has always been helping the businesses we work with achieve the most appropriate and positive solutions to the challenges they face. At a time when data quality has never been higher on the trustee agenda, Paul's vast experience in building winning teams and driving successful outcomes for organisations across the pensions industry will add real value to the work that we do. We are very pleased to have him on board."

Paul Bingham commented: "We all know the integrity of member data has never been more important, but what's more important is thinking beyond the tick-box solution. The team at Intellica are fresh and forward-thinking experts, who have a unique blend of capabilities that challenge the status quo and therefore really bring something new to the playing field. I look forward to helping them capitalise on this."

Paul has had a successful career spanning over 30 years in the pensions and financial services industry. Previous roles include CEO of Equiniti Paymaster and Non-Executive Director of MyCSP.
